Administration News

Well, it is that time of year when leaves change color and the air gets cooler. We look forward to going on our annual fall field trip to the pumpkin patch this month. During this trip we will be choosing just the right pumpkin to take home. There will be thousands of pumpkins to choose from; all uniquely special and made by God. The pumpkin patch is a great illustration of how God uniquely made each one of us. In a month in which children enjoy dressing up in costumes to be someone or something else, it is important to remind our children that they are uniquely made by God. May we point our children to the truth of Ephesians 2:10, "For we are His workmanship, created in Christ Jesus for good works which God prepared beforehand so that we would walk in them." As we journey through this school year, may our students discover the special and unique qualities, abilities, and gifts that God has blessed them with. As you pray for our school, please pray that our students realize how special they are in Christ, and that God uses our teachers as His mighty instruments of guidance.

In Christ,
Mr. Bacon

10/08 – Board Meeting 7:00pm
10/18 – Pope Farms Corn Maze 9:00am
10/29-10/31 – Parent/Teacher Conference

10/16 - Fire Prevention Demonstration 9:00am
10/26 – End of 1st Quarter
11/05 – Parent Committee Meeting 3:00pm

OPERATION CHRISTMAS CHILD

It's time!!! Declare His Glory. Psalm 96:3

This will be their 25 years of operation, 1993-2018.

I'll be sending info "SOON". Pick up for boxes is the third week of November. I'll send a list with your child so you can start praying and gathering things to put in our boxes. We invested in boxes last year, so we just need to fill them and send \$9 for shipping.

Thank you, Lord, for using us to bring joy to children on your birthday.

Mrs. Harding

Kindergarten News

How exciting to hear my students say their vowels and learning their consonants.

Thank you, Snyder Bible Church Ladies, for always sending us your words of encouragement. We all are truly blessed when you send them faithfully.

We are starting letter "C" in Bible. We will start learning "The Star Spangled Banner" this coming month.

My treasure chest is getting low. The Dollar Store is now close by :) If you would like to donate small toys, I would be grateful.

Thank you for praying.

First and Second Grade News

Wow.....we are in October already. Time is flying by and the students have been busy...learning...learning...learning. In Bible we have been learning about creation, Cain & Abel, Enoch, Noah, and Babel. We are continuing to work on sentence structure, identifying types of sentences and special sounds in Language. In math we have been working on conversions in measurements, recognizing and writing numbers in the hundreds, temperatures, and greater than and less than. Reading is such an important skill so we are continuing to focus on this while answering comprehension questions. The students have been learning about life in the first thirteen colonies for history. In science we have been discussing forces and forms of matter. We have also been talking about our communities, manners and positive traits for character development. Like I said, they have been busy.

We are blessed to have this opportunity to teach these young minds from a Godly perspective.

Mrs. Hollis

Third, Fourth, Fifth, Seventh and Eighth Grade News

Good Morning Fall, as the days get cooler the more excited the children are to learn. Our class has gotten larger with two new students that we thank God for each day. In Bible we are working on taking our Faith and Character to the next level we a learning what faith, wisdom and prayer is in our life. The children are actually putting deep thought into the questions that are asked. Our third graders are working fractions and algebra, fourth grade is learning long division and fifth grade are learning the metric measuring system. Seventh and Eighth grade are reviewing multiplying and dividing fractions. We are also learning about where the world began and what happened after the flood in History. What an exciting time.

I would like to thank all of you that give to this school and pray for us, we feel your prayers each day.
Mrs. Jarrell

Art News

We colored geo-shapes, framed and used other accessories to compliment coloring. The students all did well.

Office News

To all our Riverview Christian friends and family,

Since Sept 9th 2018 our kids have been praying for a baby named Christian. He is a great-nephew of Mrs. Jarrell, our 3rd – 8th grade teacher. He was life-flighted from Grant Nebraska to Children's Hospital in Denver with traumatic brain bleeding resulting from an injury by the mother's friend while she was at work. This baby and his young parents have been in our hearts and prayers every day. What a testimony it has been to watch God working in his little life! Also, while she has been at the hospital and dad is deployed, their house was broken into and most everything worth value was taken.

The children here at Riverview have chosen this family as a service project. They are doing a penny drive and would also like their parents to join by replacing the items that were stolen with items not in use at home. Items stolen were a smaller flat screen TV, an iPad, a PS3, movies and games, and of all things food. If any one might have any of these items that they would be willing to part with let the office know. Plans are being made to get the items to the family.

Christian is scheduled to be released from the hospital Oct 16th after over a month's stay. He is being released without a piece of his skull that the Dr. had to remove to relieve the swelling and bleeding on his little brain. Once the swelling subsides it will be replaced. Therefore there will be a lot of traveling back and forth from Nebraska to Denver for follow up visits. This will make it hard for Mom to go back to work.

Thank you for your support and prayers!!

We will be having parent/teacher conferences October 29th – 31st. Please contact your student's teacher to schedule a time.

Thank you!

Mrs. Hall

Parent Committee News

We are gearing up for our Fall/Christmas fundraising and will be selling Butter Braids, Little Caesar's Pizza, CODA Coffee, Fresh Fruit, Poinsettias and Swags. Start making your list now!

Schwan's generously donates 20% of all food purchases, and 40% of all eGift certificates purchased to our cause, that's huge! This will run through October 23rd, but Schwan's keeps on giving 5% of all purchases through January, so hang on to the following code and eat, Eat, EAT! **Schwan's Cares 42058**

Thank you for all of your continued blessings and support.

Mrs. Chard/Mrs. Gould

Cut Along Dotted Line

Brush, CO 80723

Lord's Blessings for your generosity!

And these words, which I command thee this day, shall be in thine heart:
And thou shalt teach them diligently unto thy children, and shalt talk of them when thou
sittest in thine house, and when thou walkest by the way, and when thou liest down, and
when thou risest up.
Deuteronomy 6:6 & 7 KJV
